

Account update form for Owners

Powdersville Water District realizes the importance of protecting customer information maintained by the District. **Effective September 1, 2010, account information will only be provided to the person whose name is on the account. Also, any changes to the account can only be made by the person whose name is on the account.** There will be a limit of two names per account at this time.

If you are an owner and you would like to add a name to your account with Powdersville Water District, please complete the form below and return it to our office. If you have any questions, or need additional information, please contact our Customer Service Department at 864-269-5440, option 4. Thank you.
